Financing solutions for your energy efficiency project

GoGreen Financing offers affordable, flexible options to help California multifamily property owners finance common-area and in-unit energy upgrades.

Administered by the State of California, GoGreen Financing is open to multifamily properties receiving service from Pacific Gas and Electric Company (PG&E®), San Diego Gas & Electric Company (SDG&E®), Southern California Edison (SCE®) and/or Southern California Gas Company (SoCalGas®).

Eligibility

- Property must have five or more units
- Existing buildings (no new construction)
- Both market rate and deed-restricted affordable properties are eligible
- Deed-restricted properties must have a minimum of 50% income-restricted units
