

GoGreen Financing 0% Heat Pump Promo

How to explore this promotion and get started

The State of California's GoGreen Home Energy Financing Program is offering a promotion **for income-qualified residents in eligible communities** who are installing a **heat pump water heater or heat pump HVAC system**.

Loans with terms up to 10 years may qualify for 0% APR¹ financing; loans with terms 10–15 years may qualify for 2% APR² financing.

Why install a heat pump?

Heat pump
HVAC

- **Heat AND cool** your home
- Can be **2–3x more efficient** than standard HVAC

Heat pump
water heater

- **Provides ample hot water** while using less energy
- **Lasts longer** than conventional water heaters

Ready to get started?

1 Check the map.

Search your project address on the [map](#). Check to see if you're in a **solid or hatched color zone**.

2 Review your eligibility.

Is the **borrower's income \$150,000 or less** per year? **If so**, proceed to Step 3.

3 Apply with a participating lender.

Apply to [CalCoast](#) (statewide) or [USC CU](#) (LA and Orange counties) to qualify for a standard GGH rate. The lender will verify your income to determine eligibility for the 0% or 2% promotional rate.

¹A 120-month (10 years) loan at 0% APR will have 120 monthly payment of \$83.33 per \$10,000 borrowed. ²A 180-month (15 years) loan at 2% APR will have 180 monthly payments of \$64.35 per \$10,000 borrowed.
